About the Program:

Greg Bell inspires you to achieve extraordinary results when you Water The Bamboo. A bamboo farmer waters the seed faithfully for one year, then two, then three years with no visible results. In the fourth year the bamboo rockets an astonishing 90 feet in only 60 days. Greg Bell shows you how the patience and persistence of a bamboo farmer can instill

Inspiration in Action

meaning in the work you do today, and help you accomplish amazing, fulfilling outcomes in your future.

Greg Describes:

- How to use your values to shape your vision
- How to set positive goals that realize your dream
- How to create a Bamboo Circle™ with others for strength and accountability
- How to cultivate the seven mindsets of a successful bamboo farmer

When you catch the spirit and understand the principles of the bamboo farmer you will see your vision suddenly explode into reality—seemingly out of nowhere.
